

Gigaset A540H

- Large, 1.8" high-contrast colour display with 96 x 64 pixels
- Display lighting with four colours to choose from
- VIP call with individual melody and display colour

A functional phone with good design and useful features

The Gigaset A540 is everything you need in a phone and works perfectly with your Virtual Landline. It combines ease of use with two-tone design in anthracite/black. The harmonic shape and useful features complement any living environment. A large, high-contrast display with lighting offers a choice of colours.
